It is anticipated that delivery within mainland UK will be within 5 working days of confirmed credit card clearance and within 10 days outside the UK. Reports that include additional items, such as CD's, will require a little longer to produce and check before delivery can be made. You will be informed of any predicted delivery delays due to additional items. Upon receipt of the products a signature will be required to acknowledge delivery. The signature of the person accepting delivery at the delivery address will be proof that you or the person, to whom the order is addressed, has received the delivery. All products are insured against loss or damage from the time they are dispatched to the time they are delivered to you. If the reports you ordered are incorrect on delivery or have been damaged in transit, please advise us within 10 days of receipt and retain the report and the packaging. We will pursue the compensation claim with the carrier and on acceptance of liability by the carrier, you will receive a full refund or replacement of the damaged products.

ACCEPTANCE

Upon receipt of delivery you must inspect the goods. You will be deemed to have accepted the goods if you have not notified us and returned the goods within seven days.
